STARTER POULTRY PRODUCTS

Our Certified Organic, Soy-Free 21% Protein Poultry Starter Crumbles is a complete nutritional feed of North American Organic grains supplemented with organic alfalfa, kelp, flaxseed, and Poultry Nutribalancer in crumble form for chicks. Fully balanced with all the nutrients your chicks need, this feed also includes probiotics to help improve digestive health to optimize nutrition. This feed is designed for free feeding to young chicks aged 0 to 4 weeks to sustain fast growth. At 5 weeks of age, transition to our NCO Grower/Broiler feed.

Pastured Perfect

with No Soy and No Corn

You asked, we answered

Introducing a revolutionary, complete feed specifically balanced for pastured poultry. Meet Pastured Perfect.

We created formulations for chicks, layers, and broiler/growers with a simpler ingredient list free of soy and corn. Our Pastured Perfect feeds are high-quality and nutrient-dense made with tasty things like kelp, probiotics, yeast, and vitamins; and as always, sourced from North American grains.

The best part? We created Pastured Perfect to fit a lower price point, meaning it's more affordable to give your flock a high-quality feed.

Available in 40 lb bags
and 1 ton farm totes

Organic Olive Oil

*No Seed Oils or Oilseed Ingredients
also Soy-Free and Corn-Free*

Low-PUFA Feeds

All the benefits of olive oil you love, now available for your feathered friends. Our Organic Olive Oil feeds are high in antioxidants, with ingredients balanced to best support long-term health for longer, happier, productive lives.

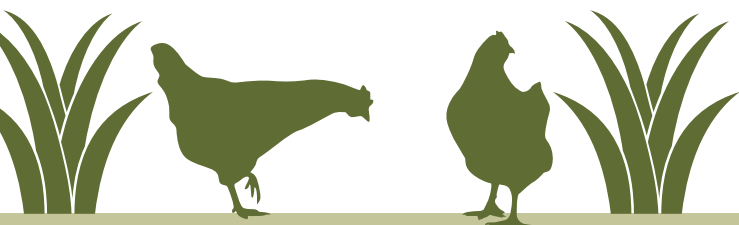

We created formulations for chicks, layers, and broiler/growers with no seed oils or oilseed ingredients, free of soy and corn. This high-quality and nutrient-dense feed is the best choice for show hens and other high value laying gals. Made with tasty things like kelp, probiotics, yeast, and vitamins; and as always, sourced from North American grains.

Available in 40 lb bags, 1 ton farm totes and half ton totes.

CORN FREE FEEDS

New Country Organics offers several corn-free feed options. While corn is a great source of energy, our low starch feeds can help your animals stay cooler in hot climates.

New Country Organics new Organic Olive Oil Poultry line and Pastured Perfect Poultry line is also corn-free and can be found on the past two pages.

More corn-free options will be coming shortly. If you have any feeds you would like to see corn-free, please let us know.
